Introduction to Bovine Endoscopy

Wednesday 1st November 2017

£295

This in-vitro Bovine Endoscopy course offers a high tutor/delegate ratio with plenty of hands-on practice. The in-vitro teaching methods are based on video presentations of the procedure as well as box practice.

Speaker: Dr Sotirios Karvountzis MRCVS

Sotirios Karvountzis is a cattle practitioner, with main interest in fertility, reproductive and abdominal surgery, semen and bull testing, foot trimming, pathology and farm data analysis.

Course includes:
- LDA and RDA Corrections
- Exploratory Laparoscopy and Thoracoscopy
- Teat Endoscopy and treatment of Cystic Ovaries
- Management of the Endoscopic Set
- 8 Hours CPD, course notes, refreshments and lunch

Venue: University of Nottingham, School of Veterinary Medicine and Science, Sutton Bonington Campus, Loughborough LE12 5RD.
