

## Lambing Techniques

What makes for good lambing? The right preparation, technique, hygiene and it's sorted? There are still benefits from learning, with flock masters and students, Mendip Vets, Lantra Wales, Farming Connect

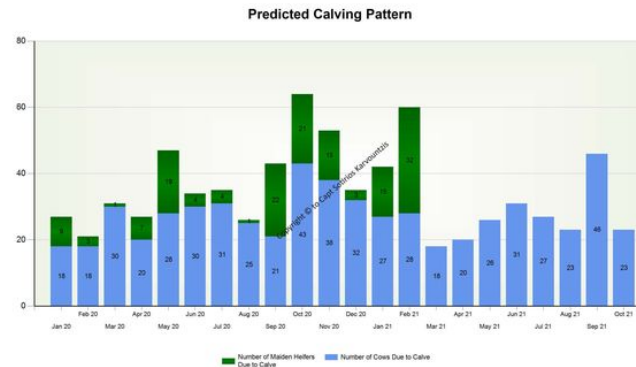

Our training groups are small, aiming to maximise your learning experience. Learn primarily through practical tuition and some video demonstrations

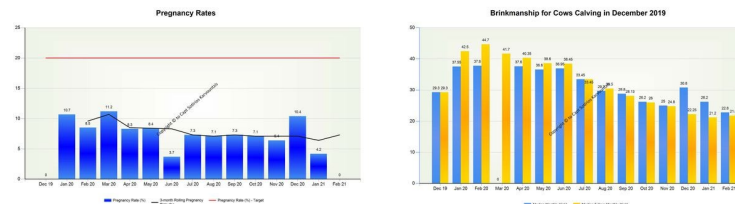

For more info visit: [mendipvets.net/lambing-techniques](http://mendipvets.net/lambing-techniques)

## Milk Monitor

Data Analysis, Decision Making Tool, Evidence Based

Overwhelmed by the sheer volume of data?  
Let us help you make sense of it

For more info visit: [milkmonitor.net](http://milkmonitor.net)

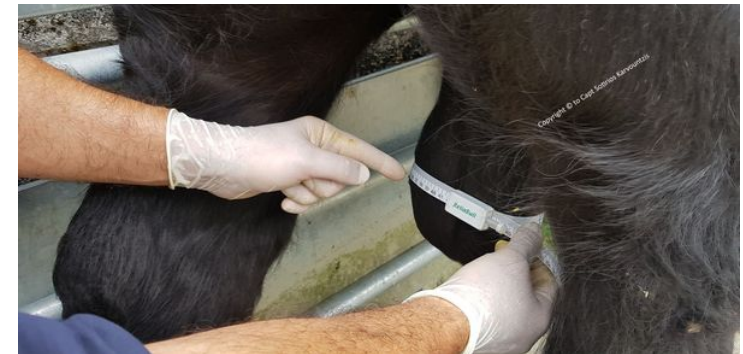

## Fertility

Size Matters, Bull Fertility, Semen Test, Motility, Sperm Count

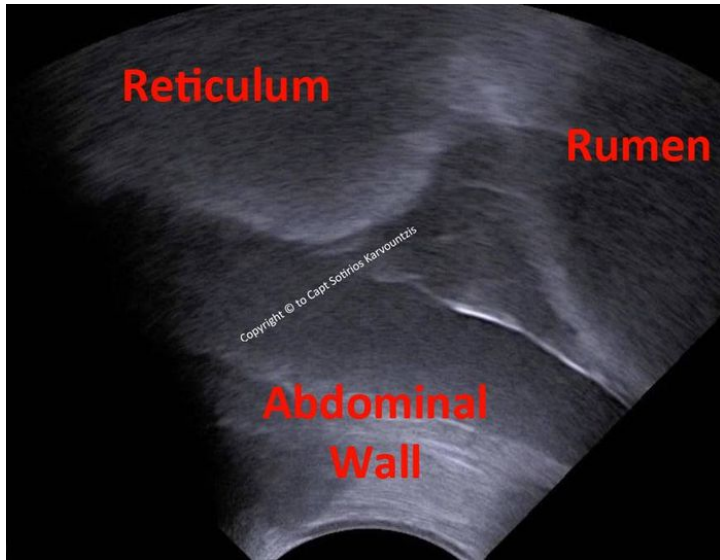

Bull looking good, sound feet, but are they firing at all cylinders?

Our Mendip Vets Bull Breeding Soundness Examination semen tests the bull to ensure they are not firing blanks, saving time, money and hassle

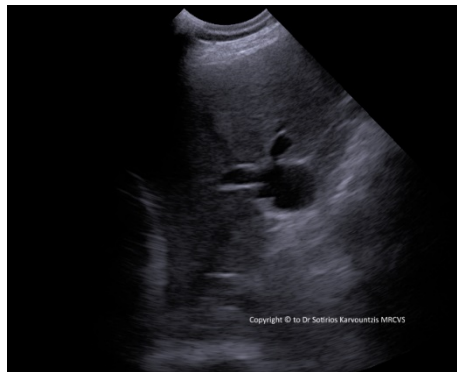

For more info visit: [mendipvets.net/fertility](http://mendipvets.net/fertility)

## Ultrasonography

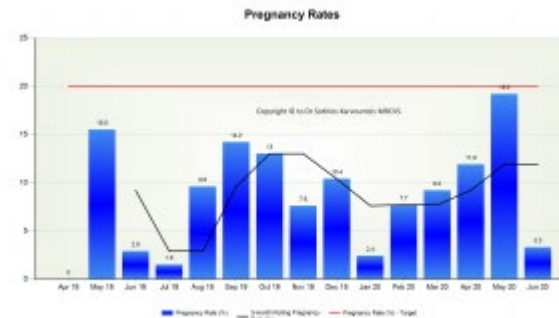

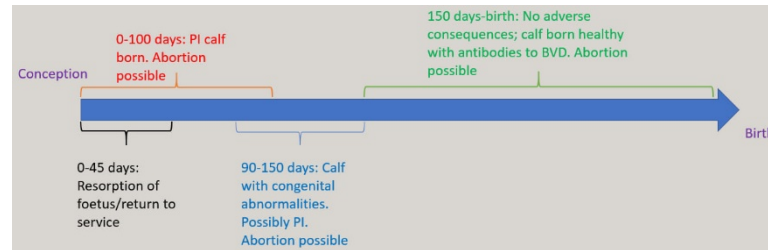

So much more to learn from scanning? Here is a place to start!  
We, at Mendip Vets believe we need to get the best from our equipment, determine gender, abnormalities and spot twins

For more info visit: [mendipvets.net/ultrasonography](http://mendipvets.net/ultrasonography)

## Hidden Costs

Looking to reduce costs in the dairy herd?  
Checking the data can save in Hidden Costs. Returns to service, abortions, calves with pneumonia can all erode your productivity

For more info visit: [mendipvets.net/hidden-costs](http://mendipvets.net/hidden-costs)

## Veterinary Medicines

The Decathlon blog, the 10 disciplines of a farm animal vet  
Proactive, Health Care
